

Walter Shade ECC - “Continuous Improvement is an Institutionalized Habit”

Performance Excellence Blueprint - June 2017 - Report Card

5G Network – Growth, Grit, Good to Great, Graduation, Goals

In 2017, we will continue to build out – integrate – and accelerate the speed – of our 5G Network:
Growth – Grit – Good to Great – Graduation – Goals.

Graduation	High School Diploma	A
	WCSD Mission	A+
Goals	Lifelong Learning	A
	Leadership	B+

Focus: Our Performance Excellence Blueprint is what we do in order to produce the outcomes we want for all of our students. **We focus our resources** on our goals, we do not allow the urgent to overwhelm the important, and we have been dramatically more successful over the long term. **We focus on what's important** to learn - not what's easy to measure. **We focus on the life skills** and characteristics students will need for the world they'll live in as adults. What matters most - is not what you know, but what you can do with what you know. **We focus on the relationships** between students and their teachers and everything else depends on how productive and successful those relationships are. **We focus on nourishing** our entire school community by becoming a source of hope and creative energy.
