If you need to pick up your child early, please report to the office and sign your child out from there. Please **do not** report directly to the classroom, lunchroom or playground during school hours. This is done for the safety of all students.

Attendance is crucial to student success and achievement. We strongly advise scheduling appointments before or after school hours. Every minute counts!

BIRTHDAYS

Schnell School recognizes that birthdays are very special days for children. We certainly want to help your child celebrate this special occasion; however, to protect those students with food allergies and/or dietary restrictions, please use the following guidelines:

Limit your treats to non-food items, such stickers, pencils, etc.

Please refrain from sending flowers, balloons, or other special gifts to children during school hours.

To avoid hurt feelings, party invitations should be distributed to all students in the class or invitations should be sent to selected students by U.S. mail.

Birthday treats and other student deliveries should be taken to school office and students will be called to the office for pick-up.

BICYCLES

Only students in grades three (3) through five (5) are permitted to ride bikes to school. Locks are suggested for safety. Students may not lock bicycles together. Bikes must be walked on school property.

CHANGES IN DISMISSAL

When there are requests to change the way that our students are being dismissed from school, we work hard to honor the request with the child's safety in mind. To ensure that the request for changes in your child's dismissal are made by you, the parent/guardian, we adhere to the following:

Changes should be made in writing and sent to school the morning of the request. If that is not possible, you may call the office to make the request and receive a phone confirmation. This should be done **before** 2:00 p.m., giving us time to notify your child's teacher prior to dismissal.

Note: Calls made after 2:00 p.m. may result in your child not being aware of the change.

Photo Identification:

It is important that we know the name of the person who will pick up your student. If they are unfamiliar to us, they will need photo identification before the child will be released.

Library books must be checked in and out, in the appropriate manner. Students are held responsible for all library books checked out to them. Students not returning books will be charged for the book replacement.

NUTRITION GUIDELINES **District Policy Attached*

***Lunch Charge Policy for 2019-2020**

West Carrollton Schools' Child Nutrition Department is self-supporting. It receives no money from the district's General Fund budget, tax levies or property taxes. Child Nutrition is funded only from federal reimbursements and student payments to cover all operating expenses and fees. By federal law, Child Nutrition Department must meet or exceed expenditures. Therefore, unpaid charges would affect the ability for the Child Nutrition Department to support itself.

The Child Nutrition Department Meal charge procedure goals:

1. To treat all students with dignity in the serving line regarding meal accounts;
2. To establish a consistent department procedure regarding meal charges, and the collection of charges;
3. To encourage parents to assume responsibility for meal payments and to promote student self-responsibility;
4. To support situations with district staff, district business policies, students and parents to the maximum extent possible.

Students and staff in the West Carrollton School District may pre-pay lunches utilizing our point-of-sale lunch account system. Lunches may be pre-paid daily, weekly, monthly, or even annually. Money may be deposited directly at the school cafeteria, or for your convenience,

online. Online payments may be made by setting up an account on www.payforit.net where you can make deposits using a credit/debit card, monitor accounts, and even set up low balance reminders. Even if you choose not to make online deposits, setting up an account at www.payforit.net will allow parents to monitor spending, and set up low balance reminders. Parents may also download the free mobile phone app at www.payforit.net for additional convenience.

The West Carrollton School district recognizes that on occasion, students may forget to bring meal money to school. To ensure that students not go hungry, but also to promote responsible student behavior and minimize the fiscal burden to the Food & Nutrition Services Department, the District will enforce the following policies by grade level:

- A. ELEMENTARY & MIDDLE SCHOOLS (Grades K-8)** are allowed (3) complete lunch charges. However, the charging of any ala carte items is prohibited.
- B. HIGH SCHOOL (Grades 9-12)** will not be allowed to charge any meals or a la carte items causing their meal account to go into a deficit balance.
- C. ADULTS** will not be allowed to charge any meals or a la carte items causing their meal account to go into a deficit balance.

For newly enrolled students, there is a five (5)-day grace period during which new students may receive lunch. This allows for the processing of meal eligibility applications.

Parents/Guardians are continually encouraged to submit a “Free/Reduced Meal Application”. If the student qualifies for:

- a. FREE meals – charges will be reviewed and, if warranted, will be forgiven.
- b. REDUCED meals – the balance on student’s account will be adjusted accordingly and the parent/guardian will be responsible for the adjusted balance.

Each student (Grades K-8) may charge up to three (3) complete lunches (totaling... for **ALL** reduced students - \$1.20; for full pay students K-5th grades \$8.25 6th – 8th grades \$9.00). Each student will receive courtesy meals after the three (3) complete lunch charge limit has been met.

Courtesy Meal Procedure

1. When a student makes their first complete lunch charge to their account, parents/guardians will be notified via One Call Now that the meal account has a negative balance. One Call Now notification calls will be made weekly until the charges are paid in full.
2. After the third charge, the student will receive a courtesy meal consisting of a cheese sandwich, fruit or vegetable and a white milk to ensure that all students are receiving the USDA required three (3) components for a complete meal. Parents/Guardians will continue to receive a One Call Now notification that the account has a negative balance.

Trays are not taken from a student; we take great care in making certain that no student with a negative balance receives a meal that is not a courtesy meal, however, we know that mistakes can happen. If a student with a negative balance receives a meal by mistake, the student will

keep the meal and it will be added to the student's account, increasing the amount of charges owed on the account.

Refunds for withdrawn, and graduating students; a written request for a refund of any money remaining in their account must be submitted. An email request is also acceptable. Students who are graduating at the end of the year will be given the option to transfer to a sibling's account with a written request.

Unclaimed Funds must be requested within one full year. Unclaimed funds will then become the property of the West Carrollton Food Service Program.

The Food Service Department has implemented state of the art identification equipment that will provide security for your child's meal account, eliminate clerical errors, provide students with more time to eat their lunch, and provide students an easy way to identify themselves when using the cafeteria Point-of-Sale system.

What About My Child's Privacy?

This form of identification is called Biometrics, which when translated, means measurements of human characteristics. This software scans the finger for identification. **It does not store a copy of the fingerprints.** Biometric measurements are used to create this enrollment; however, they are converted to something else entirely... "A Number." This templet is then stored in the school's database with the same high level of security of all your child's school records. When your child graduates or is no longer enrolled in this school system, the templates are deleted. **At no time is a fingerprint image stored.** No fingerprints can be recreated or delivered to any agency – governmental or otherwise.

Your son or daughter is in complete control of his or her own identity. They only can be identified by placing their finger on the reader. This protects them from losing an I.D. number or sharing that number with other students.

If you have any additional questions, please do not hesitate to contact the Food Service Office at 937-859-5121 x 1121

PARENT RIGHTS

The role of both parents and/or guardians plays a vital role in the educational process of a child and is encouraged and appreciated by the staff at Harold Schnell. Our staff will make every effort to maintain open communication with both parents/guardians of those children who may have shared custody. Our PTO also devotes considerable efforts and talents to promote student achievement, and to ensure effective communication among various components of our school community.

We invite and encourage all parents to be an active member of the PTO. Please check notices sent home with your child concerning the various activities PTO will conduct throughout the school year. Some PTO sponsored activities include fundraisers, COSI, Asset Week, Bravo Day, Carnival, Pool Party, volunteers, teacher request for supplies, just to name a few.

PTO collects: Campbell's product labels, Box Tops for Education. Monies received from these items will be used to purchase various things for our school.

PBIS: Positive Behavior Interventions and Supports

In order to provide students with a consistently applied system of support, Schnell has adopted the PBIS system. Positive behavioral interventions and supports (PBIS) is a way for schools to encourage good behavior.

With PBIS, we teach our students about behavior, just as we teach about other subjects like reading or math. The focus of PBIS is prevention, not punishment.

How PBIS Works

There are three tiers of support for students and staff.

1. Tier 1 is a school-wide, universal system for acknowledging and celebrating good behavior. Schnell students learn three basic behavior expectations: be safe, respectful and responsible. We regularly recognize good behavior. We use small rewards and special events to acknowledge and encourage good behavior.
2. Tier 2 provides an extra layer of support for students who continue to struggle with behavior. Schnell staff members provide interventions that have been proven to be effective for impacting student behavior. These interventions may include mentoring, daily checks with a significant adult, or even adjustments in schedules.
3. Tier 3 is the most intensive level. It's for those students who need individualized supports and services and have not been successful with level two interventions.

RESTRICTED ITEMS

Please do not allow your child to bring play weapons, toys, electronic devices, fidget spinners or other items that may interfere with the instructional process to school. Skateboards, scooters, or roller shoes should not be worn or brought to school.

We also discourage students from selling or trading items in school.

STUDENT RIGHTS

Students who feel that they have been mis-treated because of their gender, race or handicap should contact the Student Services Department at Central Administration, 430 E. Pease Avenue, or by calling 859-5121.

TELEPHONES

Students' cell phones must be turned off and kept in a backpack while students are in school or on the school bus. Students are allowed to use the school phone if there is a need to speak with a parent.

WEST CARROLLTON SCHOOL DISTRICT STUDENT CODE OF CONDUCT

General Guidelines for Discipline

The West Carrollton City School District's Board of Education adopts guidelines and policies based upon the federal and state laws that guarantee certain rights for parents and students. Accordingly, individual rights of students will be weighed against the safety and welfare of the majority of students in the schools.

The code of conduct applies to all West Carrollton City School Elementary Students:

- While they are being transported to or from school, at public expense, on a school bus, a school sponsored vehicle;
- While they are at a West Carrollton City School District bus stop as it relates to all District property and vehicles;
- While they are on school ground before, during, and after school hours;
- When they are engaged in a school-sponsored activity on the school premises or away from school premises;
- At all times whenever a student's conduct is related to school or school activities.
- Students have the responsibility to report threats or actions that may be threatening to the safety of the student body.

It is the responsibility of the school principal (or designee), faculty and school staff to help students and parents understand and follow the *Student Code of Conduct*. Parents are encouraged to read and discuss this handbook with their children in order to help them be more successful at school.

Vision for a Positive School Climate

The purpose of the West Carrollton City School District Elementary Student Code of Conduct is:

- To provide clear and explicit expectations and rules governing student behavior, activities, and discipline;
- To provide a framework for building a safe and orderly learning environment;
- To identify guidelines for teaching and encouraging positive behaviors necessary to meet the district's behavior initiative; and
- To describe methods of corrective instruction and consequences for responding to violations of the rules.

The West Carrollton City School District Elementary *Student Code of Conduct* provides examples of expected behaviors, definitions of behavior infractions including its severity (Level 1, 2, or 3), and possible corrective strategies. Some definitions include examples. Examples are not intended to be exhaustive lists; that is, the behaviors covered by the definitions include, but are not limited to, the examples given. **The building administrator has the discretion to determine which Level a student's behavior falls, regardless of where the definition is located within this document, based on the facts and circumstances of each individual situation.** Persistent violations or offenses, (two or more either all Level 1 or in combinations with Level 2), of the Student Code of Conduct or violations of criminal laws are considered incorrigible conduct. Prompt and effective corrective actions will be taken to address these behaviors.

The West Carrollton City School District Elementary Schools will have a safe and orderly learning environment as evidenced by positive student behavior, reduction of suspensions, and increased student learning performance indicators.

Rights of Students and Parents

In public schools, parents and students have certain rights given by federal and state laws. The West Carrollton City School District's Board of Education adopts guidelines and policies based upon these federal and state laws. Accordingly, the individual rights of students will be weighed against the safety and welfare of the majority of students in the schools.

Every West Carrollton City School District Student and Parent have the right to due process of law.

- Before a student is suspended, the student has the right to receive written notice of the reason for the intended suspension and an opportunity for an informal hearing.
- Before a student is expelled, the student and parent have the right to receive written notice of the reason for the proposed expulsion and an opportunity for a formal hearing. In both instances, parents will be given the opportunity to appeal the disciplinary action.

As a West Carrollton City School District Student and Parent, you have the right to expect:

- A free education in a positive learning environment.
- That the school you attend will be a safe and secure place.
- That you will not be subjected to discrimination.
- That you will be provided with the school rules and regulations.

As a West Carrollton City School District Student and Parent, you have the personal responsibility to:

- Know and obey rules and laws which govern their conduct while at school or on school property.
- Do your part to create a positive environment at your school by working toward academic excellence, striving for perfect attendance, and participating in school activities.

- Respect the authority of teachers, school administrators and other authorized personnel in maintaining discipline.
- Behave in a way that does not disrupt the educational process or lead to physical or emotional harm.
- Learn problem solving skills to effectively handle conflict situations in an effort to avoid disrespectful and harmful behavior.

The examples listed throughout the Student Code of Conduct are not intended to be a complete list of offenses that may result in disciplinary action. Any act that disrupts learning and threatens the order and safety of students and the school environment will be considered for disciplinary action.

Similarly, a student's rights in regards to decisions concerning searches to persons or property will be balanced by the responsibility of the school to protect the welfare of all students. Lockers/cubbies and desks are property of the school system and are on temporary loan to students and are subject to examination by school personnel at any time.

The Student Code of Conduct Applies to all West Carrollton City School District Elementary Students:

Student Conduct on School Buses

The Board furnishes transportation in compliance with State law. This fact does not relieve parents of students from the responsibility of supervision until such time as the student boards the bus and after the student leaves the bus at the end of the school day.

Students on a bus are under the authority of, and directly responsible to, the bus driver. The driver has the authority to enforce the established regulations for bus conduct. Disorderly conduct or refusal to submit to the authority of the driver is sufficient reason for suspending transportation services to any student once proper procedures are followed.

The Board authorizes the Superintendent or other administrators to suspend a student from school bus riding privileges only for a period of up to one school year. The only due process required is notice to the student and parent of an intended bus riding suspension and an opportunity to appear before the administrator considering the suspension before it happens. The administrator's decision is final. The Board's policy regarding bus riding privileges must be posted on school buses and made available to students.

After Board approval, regulations regarding conduct on school buses, as well as general information about the school transportation program, are available to all parents and students.

Transportation Safety Rules

1. Use quiet voices at pick up and drop off areas and while riding the bus.
2. Enter and exit the bus orderly.
3. The bus driver will assign seats.
4. Remain seated until instructed otherwise.
5. Use appropriate and courteous language.
6. Keep your hands and head inside the bus.
7. Keep the bus clean. Do not eat, drink or smoke while riding the bus or at designated pick up and drop off sites.
8. Respect school, bus and others' personal property.
9. Inform drivers/school/school staff about problems.
10. Arguing and fighting is prohibited.
