

WCSD Student Quarantine Guidance 1/24/2022

In School Exposure

With mask mandate, only unmasked AND unvaccinated students will be quarantined if exposed at school.

Parents are responsible for monitoring their student daily for symptoms of COVID-19.

If COVID-19 symptoms develop, keep student home and report.

Out of School Exposure

(Closer than 6 ft. for more than 15 min in a 24 hr. period)

Minimum quarantine of 5 days if no proof of proper vaccination or proof of a positive COVID-19 test in the last 90 days.

May test on Day 5 or after from last exposure for an early return if asymptomatic. May return as early as Day 6 with negative test result.

If student does not test, they may return on Day 11 if asymptomatic.

Positive Test Reported for Student

Stay home 5 days from date of test.

May return on Day 6 if fever free without medication for 24 hours and symptoms are improved.

If symptoms persist, stay home an additional 5 days. May return on Day 11 if symptom free.

Test to Play

(Students in sports and extra curricular activities are required to mask when possible)

Proof of proper vaccination or proof of a positive COVID-19 test within the past 90 days

May continue to participate if asymptomatic.

No proof of proper vaccination or proof of a positive COVID-19 test within the past 90 days

If asymptomatic, provide negative test within 24 hours of notification to continue participation through Day 7.

Must provide proof of a second negative test between Day 5-7 to continue to participate through Day 10 and remain asymptomatic.

If second test result is not submitted, student may not participate until Day 11.

In all 3 of the above scenarios, all test results must be submitted to the school nurse for clearance to return to school or extra curricular activities.

*Students who received their second dose of the vaccination more than two weeks but less than six months ago are considered fully vaccinated. Follow up booster shots are required every six months.
