

# West Carrollton School District

## Homelessness and Financial Assistance

Financial challenges are something that nearly every family faces from time to time. For some, the challenges are temporary and can be overcome. But others may find themselves at risk of losing necessary utilities, struggling to put food on the table, or even without a place to sleep or a home of their own. Whether your challenges seem small or overwhelming, there is help available. Below is a list of agencies and support services available in West Carrollton and the Greater Dayton Area. You can find even more support services by visiting [www.211.org](http://www.211.org) or by dialing 2-1-1 on your phone to speak with a United Way Helplink Representative 24 hours per day. The United Way Helplink program helps with problem solving, crisis intervention, and referrals to community resources.
